

Archbishop’s 2025 Christmas Message

Dear People of the Archdiocese of St. John’s:

The solemnity of the Nativity of our Lord is our annual celebration of our God coming to earth and being born as one of us. It is the celebration of our God entering so fully and actively into our humanity that we in turn may share in His divinity forever in heaven.

The message of Christmas is one of God joining us here on earth in the midst of our trials, temptations, difficulties and pains, not to instantaneously remove them or wipe them away, but to be with us in the midst of them, sharing them with us in such a way as to help us to face them, accept them, and conquer them through the power of the beauty, goodness and love that are also present here, and are but a foretaste of the beauty, goodness and love that can be ours forever with Him in heaven.

Emmanuel, “God is with us” is the great message of Christmas: “God with us” as a baby in a manger, the child of travellers so poor and alone that their child is born in a stable; “God with us” in such a profound yet simple way that the course of history is changed forever; “God with us” for all peoples of every time and place no matter what their state, their challenges, their situation; “God with us” as light in our darkness, hope in our struggles and joy in our hearts forever and always.

Praying that all may know the joy and the peace that can only come from accepting the gift of God’s presence in our hearts and in our lives, I remain,

Sincerely yours in Christ,

+Peter Hundt, Archbishop of St. John’s

Fr. Fleming’s Christmas Message

“So they went with haste and found Mary and Joseph and the child lying in the manger” (Lk 2:16)

Looking back at this past year, I have been struck by many news accounts and anecdotal stories that tell of a renewed interest in Jesus Christ and the Catholic faith in our times, especially among young people. I also have seen some of these signs of life in our own parish and diocese. By this, I am reminded of the shepherds who first “went with haste” to find the newborn Jesus. Christmas announces that God became man in Jesus Christ, and in Him we find the fullness of truth, meaning, and love— the things our hearts and minds most desire. As we celebrate this great mystery, let us continue to make our parish a place where Jesus Christ can be found by all who seek Him. Let us also strive to be ever more like those shepherds who, in humility and simplicity, heard the good news of Jesus and responded so promptly and generously.

Thank you for the witness of your faith and your kindness to me over the past year, and I wish you and your loved ones a blessed Christmas and New Year. **Fr. James Fleming**
